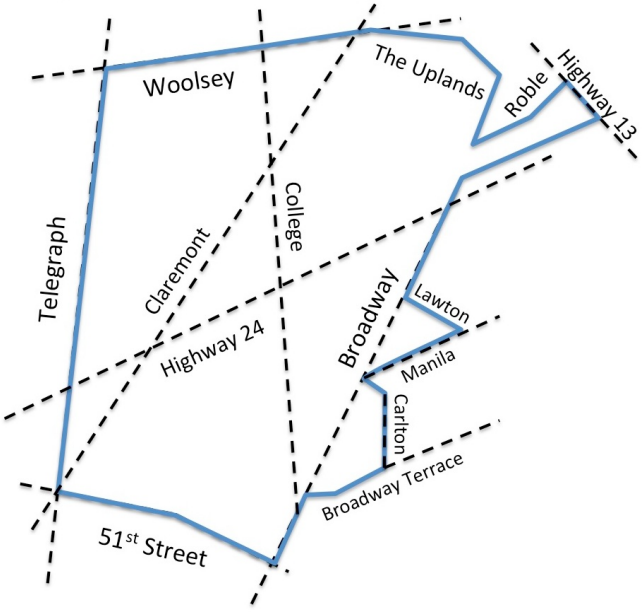
SUPPORT THE ROCKRIDGE PATROLS

The trial period of unarmed Rockridge security patrols has already helped make our streets safer. We now need immediate help to keep the momentum going. Please contribute any amount you can TODAY so we can maintain the patrols through April and beyond.

In order to hire 2 unarmed patrols working 7 days a week, 12 hours a day, we need 630 Rockridge households to contribute $30/month (though we will gladly accept whatever you'd be willing to contribute). We are over 40% of the way there -- currently we have enough funding for 2 patrols working 5 hours a day.

Safer Rockridge Security Patrol Area



The patrol services are available to all, regardless of the contribution amount. They will

1. patrol the neighborhood to deter criminal activity
2. be a resource to residents and guests who have immediate security concerns, and
3. provide Oakland Police with documentation of observations that can help them in their duties.

Please contribute today at www.SaferRockridge.org. Send questions and comments to SaferRockridge@gmail.com. We value your input.
